**FOR IMMEDIATE RELEASE**

**ADVANCED MANAGEMENT GROUP NAMES BRET HOLMES PRESIDENT**

**LAS VEGAS** (date) – [Bret Holmes](#) has been named president of [Advanced Management Group](#), a Las Vegas-based real estate management company with divisions in multi- and single-family residential segments.

Founded in 2006, Advanced Management Group provides clients with property and asset management services, as well as a full range of accounting services.

"Our goal is to provide optimal return on investment for property owners," said Holmes. Committed to creating value for its clients through long-term strategic planning coupled with hands-on day-to-day supervision, Holmes added, "We begin by analyzing market trends to determine how best to effectively position a property. We then develop and implement a marketing, leasing and management strategy specific to the needs of that client."

Immediately prior to co-founding Advanced Management Group, Holmes served as Regional Manager for Preferred Property Management and as District Manager for RPS Management Incorporated. Active in professional and civic organizations, Holmes is president-elect of the Southern Nevada Multi-housing Association.

Advanced Management Group can be reached at 702-699-9261 or at [info@amgnevada.com](mailto:info@amgnevada.com). Visit the AMG web site at [www.amgnevada.com](http://www.amgnevada.com).
